9.1.5. it will give reasonable assistance to any other Participant (including to the Participant's identity provider) investigating misuse by an end user.

9.2. The Participant acknowledges that participation in the Canadian Access Federation does not itself grant them or any of their end users automatic access to the resources and services of Service Providers, and that such access may be conditional upon each Participant or end user agreeing to appropriate terms with the relevant Service Provider governing that access. CANARIE will not be responsible for, nor have any liability in respect of, the performance or otherwise of those terms and will not be required to resolve any disputes in relation to those terms.

9.3. The Participant acknowledges that CANARIE may, without incurring any liability to the Participant and without prejudice to any other rights or remedies of CANARIE, take such action or may require the Participant to take such action, as is necessary in the opinion of CANARIE to protect the legitimate interests of other participants or the reputation of the Canadian Access Federation or CANARIE or to ensure the efficient operation of the Canadian Access Federation.

Without limiting the generality of the foregoing, CANARIE shall have no liability whatsoever to the Participant or any of its members for: (i) any interruptions or disruptions in access to the services of the Canadian Access Federation or any other damages suffered by the Participant or any of its members which are caused directly or indirectly by any failures in the Canadian Access Federation and not contributed to by CANARIE’s negligence or willful misconduct; (ii) any acts or omissions of the Participant or its officers, employees, agents or contractors including, without limitation, defamation or copyright infringement; (iii) any infringement of intellectual property rights arising from or in connection with the Participant’s use of the Canadian Access Federation and not contributed to by CANARIE’s negligence or willful misconduct (iv) any event of force majeure; or (v) any suspension or termination of access to services of the Canadian Access Federation pursuant to the terms of this agreement.
